

# Needs and how HCF National Fellowships can provide for them

## Frontline Workers

### Financial and material needs

- Train on financial management
- Fund-raising for special needs
- HCF servant leaders to take responsibility
- Material donations to help certain patients
- Financial sponsorship to attend international gatherings
- Assist during disaster/bereavement etc.
- Group health insurance
- Physical security

### Emotional and Psychological

- Arrange with Hospital management for free counselling
- Events (e.g. movie, trip, etc.)
- Personal and home visits
- Build community / Safe environment (network with partner organizations)
- Mentoring for life skills
- Special conferences for young people
- Demonstration of Compassionate Care by HCF Leaders to FLW
- Small wholistic fellowships in different institutions
- Identify and train senior believers as counsellors/mentors
- Dispute management between members
- Make friends
- Discipling toolkit – to meet needs, self-care
- Journeying with disciples
  - Listening
  - Spending time

- Teaching them to hear from the Lord themselves,
- To heal the hurt

## Prayer

- Praying with and for them
- Prayer meal
- Specific day – SMS, WhatsApp
- BLESS Prayers
- Prayer walk – be creative
- Prayer Triplets
- Prayer Chain
- Broadcast prayer needs

## Clinical / Tech

- Arrange CPDs/Meetings/Conferences
- Remedial skills training by seniors
- Medical equipment – link with donors

## Managerial Support

- Be visible in supporting what is good and condemning what is wrong
- Collaboration at local, national, regional and global levels
- HCF to mobilize for ethical advocacy at all levels, to influence policy

## Sharing the Vision

- Seminars, Workshops, Bible studies
- WhatsApp meeting / other social media group
- Tracts and evangelistic tools
- Partnerships with other organizations
- Training of fellowships
- Encourage small Discovery Groups / Integral Disciple-making groups
- Regular fellowship meetings (at least 2 representatives from every department)
- Provide training – eg Saline, in-service training
- Working with local churches, training in hospital visitation, etc.

## Healthcare Students

- Involving students in outreach programs
- Spiritual adoption and being friendly with them
- Visiting and being available to them
- Organizing retreats for students
- Self-explanation by students
- Awareness or orientation
- Attending their activities
- Availability of university counsellors
