Your prayer app

Prayer is  
absolutely  
essential

- To grow your relationship with God, use a daily devotional approach like S.O.A.P.S. \*\*
- Pray for the Kingdom of God to come in your Four Social Circles. \*\*
- The Kingdom of God only comes as we pray. Remember, that is what our Lord taught us to pray for...
- \*\* See next slides

- **A = Application:** How does God want you to respond to what He said to you through His Word?
- **P = Prayer:** Ask God to help you to respond to what He said to you in a way that brings Him joy.
- **S = Share:** With whom will you try to share the what you learnt during your SOAPS time?
