

# The 4 -14 Window

HCFl Training

November 2018

# Study objectives

1. Learn ways of teaching and motivating children between the ages of 4 to 14 to pray for the Health Field
2. Recognise how children can be involved in prayer ministry of HCF
3. Arrange a prayer meeting with children

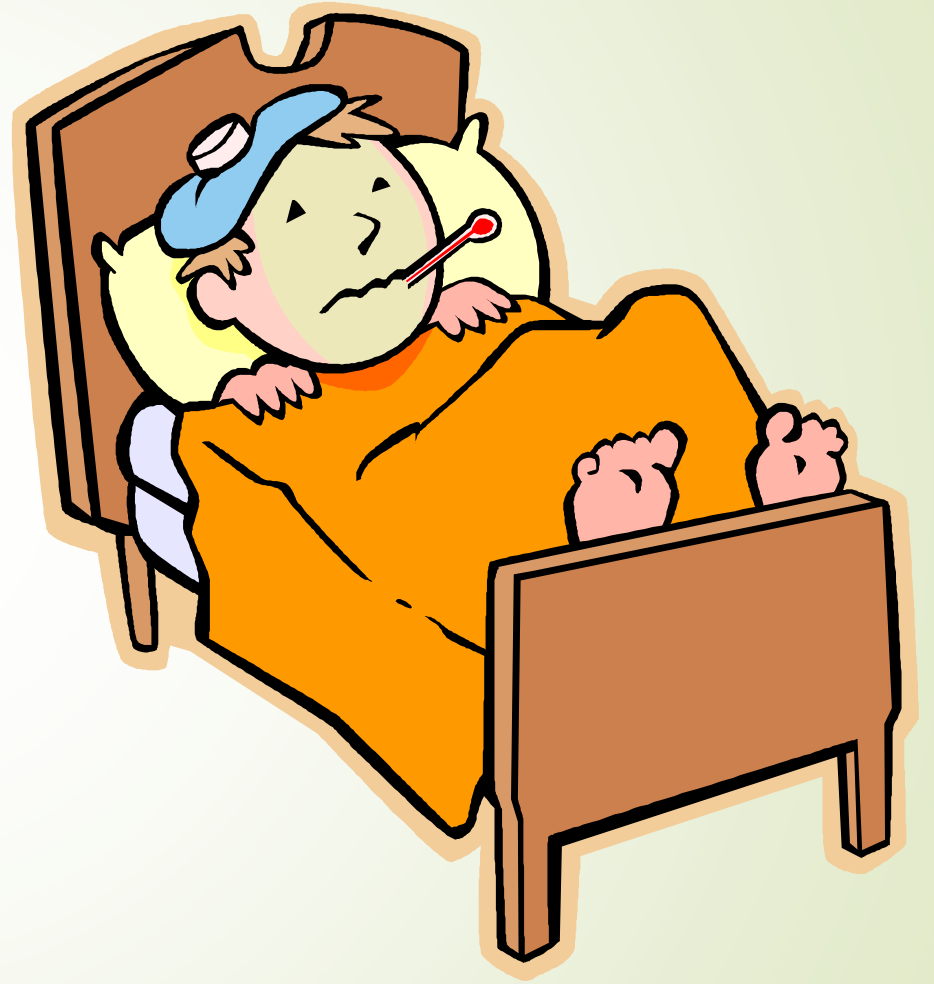

# Why

- ▶ Their minds are sensitive open to a host of impressions, ideals and ideologies ...
- ▶ They are fertile ground into which the seeds of good and evil can readily be sown.
- ▶ We can capture them for Christ
- ▶ We can call them to become watchmen on the walls of prayer?

# What to Pray For

- Sick children in hospitals
- Caregivers of all categories
- Health Care institutions

# What to Pray For

- **Children or situations in another Country**
- **Missions and Missionaries**

# Who can pray

- **Children in Sunday School**
- **Children in Boys and Girls Clubs**

## Who can pray

- Children of health care workers
- Children attending HCF Conferences with their parents

# Teach Children to Pray Through:

- **Stories**
- **Memory Verses**
- **Dramas, plays and Songs**
